**SAAB INTERNATIONAL JUNIORS 2008
JUNIORS & GIRLS
27 AUGUST - 30 AUGUST 2008**

Dear Sir,
Madam,

We are pleased to enclose herewith some Entry Forms for the 30th Belgian International Juniors, organised with the sponsorship of SAAB Belgium.

In 2008, the event will be played again in 4 rounds stroke play with a cut after 54 holes. In consequence, we will be compelled to limit the number of players per country. In order to ensure a smooth development of the championship, we will not accept more than 144 players overall and we will limit the number of players to 8 boys and 4 girls per country.

For a couple of years now we have been managing a web site which we encourage you to visit (<http://www.sij.be>). You can download the Entry Form on your PC and send it back to us by Fax with your stamps and signatures.

Just as each year, 2 boys and 2 girls will be invited as guests (board and lodging at our expense from the evening of the 24th to 31st August). These 4 players, who you will designate yourselves, will compose the team representing your country in the team competition. However, unlike previous years, considering the difficulty of finding family accommodations, applications will be handled on a first come – first serve basis. Meals will remain at our expense for the official country representatives (2 boys and 2 girls).

For ease of planning, please inform us as soon as possible about the number of players that you expect to enter for the team competition. This is very important for accommodation purposes. Please note that we shall only be able to host the 4 players in the Nations Teams (according to obtained availabilities). However, we arranged special rates with two hotels for individual players:

A shuttle service will be organised from and to both hotels.

Furthermore, and because of the success of this competition during the last years, we shall have to limit entries to 144 players. We shall therefore close the entries on August 8th, and make the final selection according to the lowest handicaps. You will receive our reconfirmation by fax not later than August 12th.

This year we shall be able to organise again an Am-Am competition thanks to the support of "Alcogroup", producer of bio fuel. The players will once more have the opportunity to play with their host family. The Am-am competition will be held on Monday 25th from 8h30 onwards.

Besides the main competition, we confirm that another competition will also be organised on Tuesday August 26th :

The CLEVELAND Longest Drive contest after the practice round

Please observe the closing date of 12th August 2008.

Yours sincerely,

Charles and Anne Marien
