**Once you get to the Innisbrook Resort and Golf Club in Tampa Bay, you'll never want to leave.**

**T**hat's because everything is here at this 1,100-acre resort: superlative golf on four different courses; fine dining in a host of restaurants; tennis on 11 beautifully maintained courts; six swimming pools including the multi-million-dollar Loch Ness Monster Pool; a complete children's recreation center; and 60 acres of lakes, jogging and cycling trails. Innisbrook is within five miles of the gulf beaches of Tarpon Springs, and within 25 miles of downtown Tampa and downtown St. Petersburg. The Innisbrook Resort and Golf Club is conveniently located close to the Tampa International Airport, served by a host of airlines.

Innisbrook is home to 4 great courses - The Copperhead, the Island Course, the North and South Course.

The Copperhead Course at Innisbrook is considered one of the best resort courses in the country (as rated by Golf Digest) and is host to the PGA Tour's Transitions Championship. The par-71 course plays over 7,340 yards from the Tournament tees and is a very stern test of golf with terrific greens.

The Island Course with tight fairways, intimidating water hazards and abundant bunkers, the newly renovated and lengthened Island course is considered by many to be no less demanding than the Copperhead. The Island has played host to numerous U.S. Open qualifiers, NCAA Championships and has been ranked among the country's top 50 resort courses by Golf Digest and No. 14 in Travel & Leisure Golf's "Fifty Finest in Florida."

The North course at Innisbrook is similar in terrain to the Copperhead Course. At about 6,300 yards from the back tees, it is still one of our most challenging courses. Known for its daunting par 3s, North features tight fairways, an abundance of trees and well-bunkered greens, placing a premium on accuracy from tee to green.

The South Course, at over 6,600 yards, is reminiscent of a links-style design, both in terms of rolling terrain and numerous fairway bunkering. Ample waste bunkers, a total of 10 water hazards, undulating terrain, and the Gulf of Mexico breezes all combine to make South another great Innisbrook challenge.

**Accommodations:** All rooms and suites feature amenities including new flat panel TVs, complimentary high-speed internet and up to four multi-line telephones with data port and voice mail. Each room and suite also features a private balcony or patio with gorgeous golf course, lawn or garden view. This is the place for friends and family to escape the pressures of work, noise and traffic to have the time of your lives. The Innisbrook Resort and Golf Club is a place where only guests, members and participants in golf outings have access to any of the facilities. It's a place like no others in Florida and one that you'll want to visit again and again.
